

UNISEAL sigillante siliconico neutro

sigillante siliconico in cartuccia. Disponibile trasparente, bianco, nero e beige, neutro per marmo

Line

SEALANT

Function

Interior and exterior silicon sealant with permanent elasticity. For the non-toxic and total sealing of any type of material

Materials

Natural stone, terrazzo, agglomerates, ceramics, terracotta, concrete, metal, plastics, glass, etc

How to use

Surface preparation: surfaces that will come into contact with the sealant must be dry, clean and free of dirt, rust, oil, etc. Porous substrate must be prepared using a wire brush and abrasive and then cleaned with a lint-free rag. Use masking tape along edges.

Application: apply sealant with the proper caulking gun. Smooth uncured sealant with dampened tool.

Packaging

310ml

Characteristics
